Related Categories: Race Information

This category is reserved for any rider who has completed the Mt. Washington Hillclimb in 1:20 or less or is a Cat.1 or 2 or a professional racer. No other riders will be allowed in this field. Riders in this field will be racing against riders in their own age category and not necessarily against other riders in this starting field. There are no medals for this category, all riders are competing for medals within their age group.
